Optics

January 2019 to December 2020

As a Marketing Coordinator for College Photography Organization from January 2019 to December 2021, I was responsible for overseeing all marketing activities for the organization, both on-campus and at external events.

Shift Leader/Supervisor

Adora - Makati

October 2018 to March 2020

As a Shift Leader/Supervisor at Adora from October 2018 to March 2020, I led my team through the worst of the COVID lock-downs in the retail space while maintaining a positive attitude and ensuring that no team members were lost. I was in charge of ensuring that the store operated smoothly by overseeing day-to-day operations and I even talked to staff about what they were going through during the worst of the pandemic. I also played a key role in resolving customer complaints and finding solutions to ensure their satisfaction with our products. While I don't want to toot my own horn too much, I was able to maintain a high level of customer service and boost team morale during a challenging time.
